

Our Lord, O You who reveal beauty and conceal faults, the One whose forgiveness is vast,

O the One who extends His hands in mercy,

O the One who hears every secret and is the ultimate refuge of every complaint,

O our Master, our Protector, and the fulfillment of our deepest hopes,

O Allah, send Your blessings and peace upon our Prophet and beloved Muhammad.

O Allah, protect us from the whispers of Shaytan, from the changing of times, from the betrayal of friends, and from the evils within ourselves. You are the One who gives and takes life. If You keep us alive, preserve us in goodness, and if You take us back, forgive us.

O Allah, we ask You for purity, pardon, and well-being in our religion, our worldly affairs, our families, and our wealth.

O Allah, conceal our faults and grant us security in our hearts.

O Allah, protect us from what is in front of us, behind us, on our right, and on our left, and from above us. We seek refuge in Your majesty from being taken from beneath us.

O Allah, we seek refuge in You from the loss of Your blessings, the withdrawal of Your protection, the sudden onset of Your punishment, and from anything that brings about Your displeasure.

O Allah, grant us hearts that are pure, sincere, and righteous, hearts that are not ungrateful, doubtful, or wretched.

Our Lord, You have been gentle, and so You have made things easy. You have blessed, and so You have provided. You have seen our faults and yet have covered them. You have given, and so You have honored. Our Lord, if we have obeyed You, it is by Your grace, and if we have sinned, it is due to our ignorance.

O Allah, continue to bless us with Your favors and forgive us for our shortcomings.

O Allah, make us among those who find joy in closeness to You, those who are blessed with Your love. Keep us always under Your protection, do not remove Your covering from us, and aid us in remembering You, thanking You, and worshipping You in the best way.

Our Lord, we know that You see us, You have power over us, and You encompass us in hearing, sight, and knowledge.

O Allah, forgive us, have mercy on us, pardon us, free us, and grant us honor. Overlook what You know of us, for You know, and we do not. Indeed, You alone are the Most Honored and Most Generous.

Our Lord, You know what lies within our hearts, while we do not know what is within Yours. Indeed, You are the Knower of the unseen.

O Allah, forgive our sins, O Allah, forgive our sins.

O Lord of generosity and bounty, do not leave for us any need of this world or the Hereafter—if it pleases You and benefits us—except that You fulfill it and make it easy for us, through Your grace, kindness, and mercy.

We ask You for ourselves, our families, and for all Muslims, men and women, on this blessed night.

O Allah, heal every sick person,

O Allah, heal every sick person. Return every absent one in safety and goodness, relieve every afflicted one, bring joy to every sorrowful heart, ease every difficulty, have mercy on every deceased soul, remove the burdens of every distressed person, settle the debts of every debtor, bring relief to every anxious heart, and mend what is broken—indeed, nothing is difficult for You.
