

There is no god but Allah, by the number of nights and ages, by the number of days and months, and by the number of waves in the seas.

There is no god but Allah, by the number of raindrops and showers, and by the number of leaves on the trees.

There is no god but Allah, by the number of strands of hair and blades of grain, by the number of grains of sand and stones, and by the number of flowers and fruits.

O Allah, send Your blessings and peace upon our Prophet Muhammad, by the number of human breaths.

Our Lord, You created and perfected, You decreed and ordained. Our Lord, You have fed and given drink, You give life and cause death, and You have granted us from everything we have asked of You.

O Allah, increase us and do not decrease us, honor us and do not disgrace us, prefer us and do not prefer others over us, and aid us and do not forsake us. Guide us and make guidance easy for us.

O Allah, we ask You for contentment with Your decree, gratitude for Your blessings, and patience in trials. We ask You for the life of the blessed, the ranks of the martyrs, the companionship of the prophets, and the honor of gazing upon Your noble Face, O Lord of the heavens and the earth.

O Allah, forgive what we have done in private, and forgive what You have seen and others have not.

O Allah, forgive all our sins in this blessed night, protect us from all harm, save us from every hardship, cover our faults, and provide for us from every direction. Place above us a covering of Your protection, and beneath us a shield of Your mercy, by Your infinite compassion, O Most Merciful of the merciful.

O Allah, You are the One who, every day, is engaged in new affairs.

O Allah, protect our bodies and our words, pardon our mistakes and shortcomings. Keep us alive as Muslims, let us die as Muslims, and join us with the righteous, without disgrace or regret, O Lord of the worlds.

O Allah, we ask You on behalf of every servant among Your creation whom we have wronged—whether in their person, honor, or wealth—those whom we may have backbitten, mistreated, or neglected to seek forgiveness from, due to our shortcomings.

O Allah, grant them peace of heart, bless us with their pardon, and compensate them from Your bounty with all that is good.

Our Lord, do not hold us accountable for the ignorance of our past, our poor manners, or our previous misdeeds. Do not let our sins and shortcomings lead to our ruin.

O Allah, take upon Yourself the rights of our parents, spouses, children, families, and fellow Muslims on our behalf.

O Allah, make us among the most merciful to people, and the kindest to creation. We seek refuge in You from hardness of heart, from bad character, and from looking down on others.

O Allah, grant us compassion toward our parents, spouses, children, and all of humanity.

O Allah, make us merciful to those under our care, let us be a source of comfort for orphans and the needy, and let our homeland be a place of safety for the displaced.

O Allah, make us among those who show mercy to the poor, who wipe the tears of orphans, and who strive to fulfill the needs of widows and those in hardship.

O Allah, instill in us the love of helping others, serving humanity, and reconciling between people. Let us be those who dedicate their time, effort, and wealth for the happiness of others, and allow us to be a means of easing their burdens.

O Allah, do not deprive us of the love of people, and do not deprive us of their prayers for us.

O Allah, make us a source of hope and relief for others, by Your mercy,

O Most Merciful of the merciful.

O Allah, bless those who care for their neighbors, who extend kindness to the weak and the oppressed, who are saddened by the struggles of the believers, and whose hearts ache for the pain of the orphans and the refugees.

O Allah, grant them a blessed life, a righteous death, and a place among the fortunate in the hereafter, O Most Merciful, O Most Generous, O Most Kind.

Our Lord, in this blessed night, accept our supplications and grant us what we seek.
