

Our Lord, O Beloved of the hearts, O Forgiver of sins, O Concealer of faults, O our Companion in our hardships, O our Supporter in our distress, O the One who shows mercy to our tears.

O Allah, send your peace and blessings upon our Prophet Muhammad and his family.

O Allah, help us and do not help against us. Support us and do not support against us. Plan for us and not against us. Guide us, and make guidance easy for us. Grant us victory over those who wrong us.

O Allah, make us among those who are constantly grateful to You, constantly remembering You, constantly obedient to You, humbly turning to You, and sincerely repentant to You.

Accept our repentance. Wash away our sins. Forgive our slips and mistakes. Answer our prayers. Strengthen our proofs. Guide our hearts. Keep our tongues truthful. Remove hatred and ill will from our hearts.

O Allah, always honor us with Your pleasure. Grant us the ability to have our prayers answered. Truly, You are the All-Hearing, the One who answers the calls of those who call upon You.

O Allah, make us among those who remember You, and thus You remember them. Those who rely upon You, and You suffice them. Those who seek refuge in You, and You grant them safety. Those who turn to You, and You welcome them.

O Allah, let us reach all noble goals. Fulfill our greatest hopes. Rectify our intentions. Protect us from all afflictions. Guard us from every direction, O Creator of the heavens and the earth.

O Allah, whatever You have decreed upon us, grant us patience alongside it. And we ask You for well-being. Whatever You give us of blessings, grant us thankfulness with it. And we ask You for increase, and we ask You for more.

Our Lord, do not leave us to ourselves lest we become weak. And do not leave us to other people lest we become lost.

O Allah, grant us honor, status, and dignity. Clothe us always with the garments of protection, well-being, and peace.

O You who possess dominion over this world and the Hereafter—we ask You, O Allah, for happiness in this life and the next. For joy in this world and the next. For vastness and ease in both worlds. And for well-being in both worlds.

O Allah, we are Your creation—desperately in need of You. We are weak—so strengthen us. We are poor—so enrich us. We are distressed—so relieve us. We are sinners—so forgive us. We are simple—so take care of our affairs. We are ill—so cure us.

O Allah, cure every one of us who is sick. Cure all our sick. Cure all the sick among the Muslims, O Lord of the Worlds. Especially those, O Possessor of Glory and Honor, who are afflicted with severe illness and pain.

O Allah, be gentle with them. Show compassion. Grant complete healing to those battling cancer. O Allah, heal them wherever they may be. Give them glad tidings of complete recovery, O Possessor of Glory and Generosity.

O Allah, You are Pardoning, and You love to pardon—so pardon us. O Allah, You are Pardoning, and You love to pardon—so pardon us.

O Allah, bless us in our last ten nights of Ramadan. Strengthen our willpower and determination. Make us among those who reach Laylat al-Qadr and attain the immense reward and blessings it holds.
