

In the name of Allah. What Allah wills happens. There is no power except through Allah. What Allah wills happens. Every blessing is from Allah. What Allah wills happens. No one repels harm except Allah. What Allah wills happens. All good is in the hands of Allah.

Our Lord, You alone we seek through our deeds, to You we direct our words of praise, and to You we return in all our conditions. To You we plead in our supplications and requests.

O Allah, send blessings and peace upon our Prophet and beloved. O Allah, protect us from the evil of eyes and those who cast them. Guard us, our families, and our children from every envious glance that did not say "Ma sha' Allah."

O Allah, we seek Your protection from the evil eye that dulls minds, wastes knowledge, crushes intelligence, causes illness, disables limbs, divides wealth, distorts beauty, and changes conditions.

O Allah, cool its heat, cancel its effects, and remove its harm and damage from us.

O Allah, protect us from whispers and illusions, from the provocations of Shaytan and all diseases, from insomnia and disturbing dreams. O Possessor of Majesty and Honor.

O Allah, Lord of the pure, bless the women of the Muslims, especially our families and those present.

O Allah, forgive them their sins and multiply their good deeds. Make them guided and guiding, pure and purifying, content and pleasing, and protected from the devils of mankind and jinn.

Make them honorable in their dignity, and modesty. Proud of their faith. Shield them from harmful companions and misleading peers. Surround them with righteous, sincere advisors. O Creator of the heavens and the earth.

O Allah, make them the delight of the eyes for their religion, their parents, their husbands, their sons and daughters. Make them righteous role models in their families.

O Allah, make them love modesty. Our Lord, whoever among them has preserved her modesty, protect her above the earth, under the earth, and on the Day of Judgment.

O Allah, protect them from Your anger and wrath. Shield them from immodesty, arrogance, and all kinds of evil. O Mighty, O Forgiving.

Our Lord, accept the repentance of those who repent, accept the excuses of those who seek forgiveness, forgive those who have erred, heal the sick, grant children to those without, marry off the unmarried, relieve the distressed, and strengthen the righteous reformers.

Our Lord, just as You united the clouds, unite every husband and wife. Just as You subdued the sea for Your Prophet Musa, subdue spouses for each other. And just as You softened iron for Your Prophet Dawud, make them soft-hearted to their parents and spouses. O Responder to prayers.

O Allah, make our homes and the homes of the Muslims places of tranquility, filled with the Qur'an and Your pleasure, sources of safety, affection, and mercy. Do not make them sleeping places, grazing grounds, or feeding grounds for Shaytan. By Your mercy, O Most Merciful of the merciful.

O Allah, remove cursing, conflict, and divorce from our homes. Continue to bless them with Your protection. Lift Your displeasure from them. Pour upon them Your blessings. Do not allow us to be humiliated by our enemies or the jealous and spiteful.

O Allah, make us love acts of obedience. Raise our daughters and sons as righteous plants. O Giver of endless good and magnificent gifts.

O Allah, unite our families, those present, those listening, and all Muslim women with the noble wives of Your Prophet in the highest levels of Paradise. O Responder to prayers.

O Allah, whoever complains of estrangement from their home, distress from their children and spouse, or distance from their relatives—relieve their harm. Make them love their home and children. Unite their hearts with their spouses. Restore their ties with relatives by Your mercy, O Most Merciful.

O Allah, accept our fasting, our prayers, our supplications, and all our deeds. Leave none among us or near us wretched, deprived, rejected, or expelled.

O Allah, You are Pardoning and love to pardon—so pardon us.

O Allah, make us among those You free from the Fire. Grant us the spaciousness of Your Gardens, O Most Merciful.

O Allah, seal this month for us with Your pleasure, forgiveness, acceptance, and excellence, and with freedom from the Fire.

O Allah, sustain Your blessings upon us. Bless our days and nights. Grant us sincerity in our words and deeds. End our lives with the best of endings.

O Allah, gather us in this world upon Your obedience, and in the Hereafter in the gardens of Paradise, with those we love and hope to be with—along with Your chosen Prophet, his family, his companions, and all who followed his path.

O Allah, send Your peace, blessings, and favor upon our Prophet Muhammad, and upon his family and companions, all together.
