

Glory be to You, O ultimate hope of those who aspire,
O highest desire of those who ask,
O utmost aim of those who seek,
O richest wish of those who yearn,
Glory be to You, O Protector of the righteous.

Our Lord, our Lord,
Tyrants are humbled before Your majesty,
Faces bow down in awe of You,
And everything yields to Your greatness.

O Allah, send peace and blessings upon our Prophet Muhammad and his family.

O Allah, send blessings upon our master Muhammad,
the light of all lights,
the secret of all secrets,
the leader of the righteous,
the adornment of the noble messengers,
and the most honored one upon whom night falls and day rises;

blessings as numerous as every raindrop that has ever fallen since the beginning until the end of time,
and as numerous as every plant and tree that has ever grown since the beginning until the end of time,
a perpetual blessing as everlasting as the sovereignty of Allah, the One, the Supreme.

Our Lord, our Lord, do not let us leave this gathering except that You have forgiven every sin, relieved every distress, eased every hardship, settled every debt, restored every lost right, healed every person who is ill, envied, affected by the evil eye, possessed, or bewitched, expelled every evil from our bodies, enriched every poor person among us, protected every parent,

reformed every child, married every single person, and granted righteous offspring to every infertile person.

O Allah, preserve us with Islam while we are awake, asleep, standing, sitting, bowing, and prostrating. Preserve us with Islam in life, at death, and on the Day of Reckoning, and make Islam a guiding light for our hearts.

O Allah, grant us certainty and good assumptions of You, and establish hope firmly in our hearts. Remove our dependence on anyone but You, so that we hope in none except You, and trust none but You. O You, Most Gentle in accomplishing Your will, be gentle with us. O Allah, be gentle with us, O Lord of all worlds.

O Allah, fill our hearts with love for You until nothing distracts us from You. Fulfill our needs, establish our proofs, let us taste the sweetness of Your forgiveness, and grant us abundant space in Your Paradise, O Lord of all worlds.

O Fulfiller of needs, O Answerer of prayers, O Achiever of desires, fulfill our needs, respond to our calls, realize our aspirations, and grant the present men and women Your mercy, liberation from Hellfire, additional grace, and immediate relief, through Your mercy, O Most Merciful of those who show mercy.

O Allah, make us among the most loyal to both the living and the deceased, O Creator of the heavens and the earth.

Our Lord, whoever is present here, whoever says Ameen to our prayers, whoever among us suffers from an illness, hardship, or chronic disease, we ask You, O He who brings forth life from life, to remove all affliction from them, by Your mercy, O Most Merciful.

O Allah, You are Most Pardoning, You love to pardon, so pardon us.
O Allah, protect us from the Hellfire, protect us from the Hellfire, protect us from the Hellfire, by Your mercy, O Most Merciful.

O Allah, send blessings upon our Prophet Muhammad and his family in the best way You have ever sent upon any of Your creation, and bestow Your blessings upon our Prophet Muhammad and his family in the best way You have ever bestowed upon any of Your creation, and grant abundant peace.
