

There is no god but Allah in His Exaltedness, there is no god but Allah, and we worship none but Him. There is no god but Allah, and we call upon no one besides Him. There is no god but Allah, from whose awe hearts tremble and from whose greatness souls are humbled, and He has encircled the necks with His blessings.

O Allah, send peace and blessings upon our Prophet Muhammad and his family.

O Allah, we ask You for light in our hearts, ease in our affairs, healing for our sick, and forgiveness and mercy for our deceased.

O Allah, we ask You for the comfort of the righteous, the happiness of the believers, the supplications of the pious, and the reward of the patient.

O Lord of the worlds, O Allah, make us better than what people think of us, do not hold us accountable for what they say, forgive us for what they do not know, and do not let us be swayed by the praise or criticism of people.

Protect us by Your mercy from the evil of jinn and mankind, by Your mercy,

O Most Merciful of the merciful.

Our Lord, grant us from our spouses and offspring the comfort of our eyes and make us leaders for the righteous.

O Allah, bless our sons and daughters, and bless the sons and daughters of the Muslims, especially those who are present.

O Allah, guide them, open the paths of goodness for them, and close the doors of evil before them.

O our Lord, You who control the hearts and their righteousness and guidance,

O Allah, bestow Your kindness upon our hearts and the hearts of our youth, our sons, and our daughters.

O Allah, purify their hearts, guard their chastity, facilitate their provisions, improve their conditions, grant them peace of mind, and help them lower their gaze. Instill in their hearts love for faith and adorn it therein, and make them hate disbelief, corruption, and disobedience. Make them among the rightly guided.

O Allah, make them a source of delight for their religion, their parents, their families, their leaders, and their homelands.

O Protector of all things,

O Allah, preserve their hearing, sight, and limbs, and protect them from all directions.

O Allah, protect them from the evil of their souls, their companions, their devices, their marketplaces, and their roads. Save them from diseases and calamities, and protect them from the evils of desires, doubts, and distractions.

O Originator of the heavens and the earth, O Allah, we ask You while You are in Your exaltedness.

O Allah, honor us with the righteousness of our children during our lifetime and after our death, and make them a treasure for us in this world and the Hereafter.

O Allah, make us and them among Your allies and the chosen ones of Your people.

Our Lord, have mercy on those of our sons, daughters, young men, and young women who have passed away.

O Allah, fill their graves with light and illumination, make them joyful and happy therein, and among the safe on the Day of Judgment, O Lord of the worlds.

O Allah, be kind to them, heal their sick, restore their health, and cure their bodies, O Hearer of supplications.

O Allah, do not let our children be a trial for us, O Allah, do not let our children be a trial for us.

O Allah, soften their hearts for us, make their manners and nature easy for us, and do not make them a source of our misery. Do not let us hear from them a word of defiance or less than that or more.

O Allah, we testify before You at this moment that we have forgiven them and pardoned them, so do not punish them because of us, and do not hold them accountable.

Our Lord, whoever among this blessed gathering seeks from You righteous offspring to help them in their religious and worldly affairs, O Allah, grant them what they desire and help them in nurturing and raising them.

O Lord of the worlds, O Allah, grant offspring to the childless among the Muslims, O Hearer of supplications.

O Allah, You are the Most Forgiving, You love forgiveness, so forgive us. You are the Most Generous, You love generosity, so be generous to us. You are the Concealer, You love to conceal, so conceal our faults with Your mercy, O Most Merciful of the merciful.
