

Our Lord, how great You are.

Our tongues fall short of praising You as You deserve, and our minds cannot fully comprehend who You are.

The mighty humble themselves before Your greatness.

Faces bow in awe of You.

Everything submits to Your majesty.

So we rely only on Your word, and we hold tightly only to Your rope.

O Allah, send Your peace and blessings upon Your Prophet, Your chosen one.

O Allah, we ask You for strong faith and a faith that shows in beautiful character.

We ask You for success that leads to true success.

We ask You for Your mercy, Your forgiveness, Your pleasure, and Your protection.

O Allah, grant us beneficial knowledge, pure provision, accepted deeds, healing from every illness, and protection from every hardship.

We ask You for everlasting blessings that never fade or disappear.

O Allah, grant us firmness in our faith and determination upon guidance.

Help us to be grateful for Your blessings and to worship You in the best way.

Give us truthful tongues, pure hearts, and upright character.

Grant us a pure life, a good ending, and a return to You that is not disgraceful.

O Allah, give us the best of what can be asked for, the best du'a, the best deeds, the best reward, the best life, and the best death.

Make our scales heavy with good deeds.

Strengthen our faith.

Raise our ranks.

Accept our prayers and our supplications.

Forgive our sins and free us from the Fire.

Grant us the highest levels of Jannah.

O Allah, grant guidance, righteousness, mercy, and well-being to our parents, to ourselves, to our spouses, to our children, to our families, and to all Muslims.

O Allah, cover us with Your protection — a protection that no harm can penetrate.
Make what is beneath that covering goodness and righteousness.

O Allah, ease our affairs and keep us away from hardship.

Forgive us in this life and the next.

Relieve those who are worried.

Bring comfort to those who are distressed.

Pay off the debts of those in debt.

Cure our sick and the sick among the Muslims.

O Allah, we have loved ones who are ill in their homes and in hospital beds.

Send down upon them Your healing.

Make what they are going through a means of raising their ranks and wiping away their sins.

O Allah, do not let us leave this place with a sin except that You have forgiven it,

no worry except that You have relieved it,

no debt except that You have paid it,

no child except that You have guided and corrected them,

no lost one except that You have guided them,

no repentance except that You have accepted it,

no hardship except that You have eased it,

no traveler except that You return them safely to their family,

no one afflicted by harm except that You heal them,

no prisoner except that You free them,

and no need from the needs of this world or the Hereafter — that is pleasing to You and good for us — except that You help us fulfill it.

And O Allah, restore to the Muslims their honor and dignity.

Return to them their strength and unity.

Protect the lands of Islam and the Muslims from every harm and every evil.

O Most Merciful, accept from us and do not turn us away disappointed.
