

Glory be to Allah. All praise belongs to Allah. There is no god but Allah. Allah is the Greatest. And there is no power and no strength except through Allah.

O Allah, send Your peace and blessings upon our Prophet Muhammad and his family. O Allah, tonight we seek refuge in You, so help us and respond to us.

O Allah, we seek refuge in You from the trials and punishment of the Fire, from the trials and punishment of the grave, and from the hardship that comes with both wealth and poverty.

O Allah, we seek refuge in You from an evil day, an evil night, an evil moment, from a bad companion, and from a harmful neighbor in our place of residence.

O Allah, we seek refuge in You from the evil of our hearing, our sight, our tongues, our limbs, and our hearts.

O Allah, we seek refuge in You from arrogance that comes with wealth and from humiliation that comes with poverty. We seek refuge in You from bad character, bad actions, misguided desires, and harmful illnesses. We seek refuge in You from leprosy, insanity, severe disease, and from ugly character and sickness.

O Allah, we seek refuge in You from stinginess, from cowardice, and from reaching a bad old age.

O Allah, we seek refuge in You from the evil of what enters the earth and what comes out of it. We seek refuge in You from falling,

being crushed, drowning, and burning. And we seek refuge in You from being overpowered by Shayṭān at the moment of death.

O Allah, we seek refuge in You from a heart that does not humble itself, a supplication that is not answered, a soul that is never satisfied, and knowledge that does not benefit. O Allah, we seek refuge in You from these four.

O Allah, we seek refuge in You from hunger, for it is a terrible companion, and from betrayal, for it is a terrible inner trait.

O Allah, we seek refuge in You from laziness and old age, and from being returned to the weakest stage of life. We seek refuge in You from the trial of the Dajjāl and from the trials of life and death.

O Allah, we seek refuge in You from the schemes of plotters, the oppression of tyrants, the tricks of deceivers, the envy of the envious, the magic of sorcerers, the transgression of the corrupt, the character of hypocrites, and the hypocrisy of those who show off, O Lord of the worlds.

O Allah, we seek refuge in You from envy, lying, gossip, backbiting, showing off, loving fame, belittling others, speaking carelessly, and having little modesty. We seek refuge in You from leading Your servants astray or being led astray, and from every blameworthy trait.

O Allah, protect us from everything we have sought refuge from, and increase us in Your mercy and favor, O Most Merciful.

Glory be to your Lord, the Lord of might, far above what they describe. Peace be upon the messengers. And all praise belongs to Allah, Lord of all worlds.

O Allah, send peace and blessings upon our Prophet Muhammad, and upon his family and companions.
