O Allah, the One who rose above the Throne...

O the One who created everything perfectly, who measured all things and guided them...

the One who gave every creation its form and then guided it...

the One who makes people laugh and makes them cry...

the One who gives life and causes death...

the One who brings happiness and hardship...

the One who brings things into existence and then tests them...

the One who raises some and lowers others...

the One who honors and the One who humbles...

the One who gives and the One who withholds...

the One who lifts and the One who brings down...

O the One who split the seas and made the rivers flow...

the One who wraps the day over the night and the night over the day...

the One who guides people out of misguidance...

who rescues them from ignorance...

who gives light to the eyes...

who brings life to hearts and thoughts...

O the One who hears our words and sees where we are...

the One who knows what we hide and what we reveal...

nothing about us is hidden from You.

We are the poor and the broken before You...
the needy, the ones seeking Your help and protection...
the ones whose hearts tremble in fear...
the ones who admit and confess our sins.
We ask You like the needy ask...
we turn to You like a humbled sinner...
we call upon You like a fearful servant...
a servant whose neck bows before You,
whose eyes overflow with tears for You...
whose eyes overflow with tears for You...
whose eyes overflow with tears for You.
O Allah, send Your peace and blessings upon our Prophet Muhammad and his family.
O Allah, send blessings upon our master Muhammad —
the light of all lights,
the secret of all secrets,
the leader of the righteous,
the beauty of the noble messengers,
the most honored of those upon whom night falls and day rises.
Send blessings upon him as countless as the drops of rain that have fallen since the beginning of the world until its end...

and as countless as the plants and trees that have grown upon the earth...

blessings that continue as long as the dominion of Allah, the One, the Almighty.

Our Lord, our Lord...

Do not let us leave this gathering with a sin that You have not forgiven...

nor a worry that You have not relieved...

nor a hardship that You have not eased...

nor a debt that You have not repaid...

nor a right that has been lost except that You restore it...

nor a sick person, an envied person, a person affected by evil eye, possession, or magic except that You heal them...

nor any harm within our bodies except that You remove it...

nor a poor person except that You enrich them...

nor a parent except that You protect them...

nor a child except that You guide and rectify them...

nor a single person except that You grant them a righteous spouse...

nor a person unable to have children except that You bless them with righteous offspring.

O Allah, protect us with Islam when we are awake and when we sleep...

when we stand and when we sit…

when we bow and when we prostrate.

Protect us with Islam in our lives, at the moment of death,

and on the Day we stand before You.

Make Islam a light within our hearts.

O Allah, grant us certainty and good expectations of You.

Plant hope in our hearts and remove our dependence on

anyone but You…

so that we hope in none but You and rely on none but You.

O Gentle Lord who is gentle in whatever You will — be gentle

with us…

be gentle with us…

O Allah, be gentle with us, Lord of the worlds.

O Allah, fill our hearts with love for You so that nothing

distracts us from You.

Take care of our needs…

strengthen our faith…

let us taste the sweetness of Your forgiveness…

and grant us the wide gardens of Your Paradise.

O Fulfiller of needs…

O Answerer of prayers…

O Granter of hopes…

Fulfill our needs...

answer our prayers...

grant us what our hearts long for.

Shower Your mercy upon those gathered here...

free them from the Fire...

increase them in Your generosity...

and grant them relief very soon, by Your mercy, O Most Merciful.

O Allah, make us among those who remain loyal to the living and the dead.

O Creator of the heavens and the earth.

Our Lord, whoever has joined this gathering...

whoever said “Ameen” to this duʿā’...

whoever among them is suffering from illness, hardship, or a long-lasting pain...

We ask You, O the One who brings life from life,

remove their suffering and heal them by Your mercy.

O Allah, You are the Most Forgiving and You love to forgive — so forgive us.

O Allah, save us from the Fire...

save us from the Fire...

save us from the Fire...

by Your mercy, O Most Merciful.
