

Our Lord... O Comfort of hearts,  
O Forgiver of sins,  
O the One who covers our faults,  
O the One who stands by us in our hardships,  
O the One who helps us in our distress,  
O the One who shows mercy to our tears.  
O Allah, send Your peace and blessings upon our Prophet  
Muhammad and his family.  
O Allah, help us and do not allow anything to overcome us.  
Give us victory and do not let others overpower us.  
Plan goodness for us and do not allow harm to be planned  
against us.  
Guide us and make guidance easy for us.  
And support us against those who wrong us.  
O Allah, make us among those who are always grateful to  
You,  
always remembering You,  
always obedient to You,  
humble before You,  
constantly turning back to You in repentance.  
Accept our repentance,  
wash away our sins,  
forgive our mistakes,

answer our prayers,  
strengthen our faith,  
guide our hearts,  
set our tongues straight,  
and remove any bitterness from our hearts.

O Allah, honor us always with Your pleasure.

Grant us answers to the prayers we raise to You.

For You are the One who hears every call and answers those  
who turn to You.

O Allah, make us among those who remember You and are  
remembered by You...

who rely on You and are protected by You...

who turn to You and receive from You...

who seek refuge with You and find safety with You.

O Allah, allow us to reach the goals we hope for,  
fulfill the good things we long for,

purify our intentions,

protect us from harm,

and guard us from every direction,

O Creator of the heavens and the earth.

O Allah, whatever You decree for us, grant us patience along  
with it.

And we ask You for well-being.

Whatever blessings You give us, grant us gratitude along with them.

And we ask You for even more of Your blessings...

We ask You for even more.

Our Lord, do not leave us to ourselves, for we would fail.

Do not leave us dependent on people, for we would be lost.

Grant us honor, dignity, and a good standing in life.

Clothe us always with the garments of protection, well-being, and peace.

O You who owns this world and the next,

we ask You for happiness in this life and the next,

joy in this life and the next,

ease and expansion in this life and the next,

and complete well-being in this life and the next.

O Allah, we are Your creation, desperately in need of You.

We are weak — so strengthen us.

We are poor — so enrich us.

We are burdened with worries — so relieve us.

We are sinners — so forgive us.

We are simple servants — so take care of our affairs.

We are sick — so grant us healing.

O Allah, heal every sick person among us.

Heal those we love who are sick.

Heal the sick among the Muslims everywhere, O Lord of the worlds.

And especially, O Lord of Majesty and Honor, have mercy on those who are suffering from severe illness and painful diseases.

O Allah, be gentle with them.

O Allah, show them Your compassion.

O Allah, grant complete healing to those suffering from cancer.

Wherever they are, grant them full recovery and bring comfort to their hearts, O Lord of Majesty and Honor.

O Allah, You are the One who pardons, and You love to pardon — so pardon us.

O Allah, You are the One who pardons, and You love to pardon — so pardon us.

O Allah, bless us in these last ten nights.

Strengthen our determination and our hearts in them.

Make us among those who reach Laylatul Qadr and among those who win its tremendous reward and blessings
